

Nobel Biocare

World Tour™
2008

Dr. Steven Glindermann, M.D.

We deeply appreciate your contributions in expanding the knowledge in indication-based patient therapy to those that attended the Nobel Biocare World Tours™ in 2008. The "Standards of Excellence" achieved in these Nobel Biocare meetings continues to be elevated to the highest level in Global Dental Continuing Education. On behalf of Nobel Biocare and the members of the Scientific Program Committee, we thank you for your participation!
